

**TJ Amituanai**

DENNY INTERNATIONAL MIDDLE SCHOOL | 6<sup>TH</sup> GRADE

I feel that death is not a sad thing  
but a way life takes a stop.  
Death is a part of a cycle,  
the cycle called living.  
The cycle is a way through everything.  
So, imagine a place that is most calming.  
All of that will die.  
It's not the best way to put things,  
but it will happen.
