We need

Eggs
Vanilla cake mix
Oil
Milk

We put it in a big submarine.
We mixed it in the yellow submarine.
I didn't stir the cake.
Mama didn't stir the cake.
The submarine stirred the cake!
The cake baked in the submarine oven for 5 minutes.
Then we put red-flavored icing on the cake.
And rainbow-flavored sprinkles on the cake.
And then we put 5 candles on the cake.
Here's the candle with the flame.

We will sing happy birthday.
It's almost Ethan's birthday. He will be 1.

Then everybody eats the cake!
