

Dear Honduras

LESCHI ELEMENTARY SCHOOL | 5TH GRADE

Dear Honduras,

I remember the big slides at the water park and people screaming in delight.

You are like a shining sun and a warm hug from my grandma.

You remind me of my dog, Luna.

Tell me how it's been there. Is my grandma good?

What about the chickens in the backyard?

I wonder what the school looks like now.

Can I still help my grandma decorate for Christmas?

Please keep everyone safe.
