

I Am the Shadow of the Sun

Jerrell Guthrie

BIG PICTURE MIDDLE SCHOOL | 7TH GRADE

I am the shadow of the sun
I wonder when I won't be the sun's shadow
I hear the world go by
I see pain and suffering
I want this burden no longer
I am the shadow of the sun
I pretend this is all fine
I feel dead inside
I touch the blue sky
I worry my burden will never be gone
I laugh as the cold wind washes away direction
I am the shadow of the sun
I accept that I will never not be the sun's shadow
I shout, "Help!" but no one hears me
I dream one day when people look up it will be me and not the sun
I try to be better than the sun
I am the shadow of the sun.
