

My Name

Tasneem Jafar

WING LUKE ELEMENTARY SCHOOL | 5TH GRADE

My name is Tasneem,
different from all the others.
Inside my name
is a hidden meaning.

The Arabic meaning
for this special name
is fountain of paradise
and that's no joke at all.

People think my name is Tesnim,
but that's not the spelling.
My actual name is Tasneem Um
And that will never change.

If my name was lost
I would be unknown.
I would do anything
to find my perfect name
Back.
