

My Frustrated Body

after Renee Watson

Pheakdey Yim

SEATTLE WORLD SCHOOL | 11TH GRADE

My body is
perfect and
imperfect and
brown and
boy and
baby and
messy hair and
drying eyes and
heart cry and
unhealed scar and
hand that holds
my tiny heart and
tired soul and
losing hope and
still standing to
be own hero and
face up and
walk straight and
carry unsaid words and
my love is mine
and my frustrated body.
