# Pizza Problems

One day I was about to eat a beautiful pizza  
when I heard “stop!”

It was the pizza speaking  
dun! dun! dun!

Don’t you know what it’s like to be eaten?

It’s like going down a slimy slide,  
like going down a flesh room,  
like going down a stinky tunnel.

All while you smile on the outside!

This broadside was created in celebration of Seattle Arts & Lectures' 2024-25 Writers in the Schools Year End Reading.  
Samar Abulhassan was the supporting WITS writer in residence.
