

Sara Moran

Evergreen High School | 9th Grade

True Feelings

through laughter and bright tears
they stand by us through the years
a woven thread, strong, & true
a bond that time can't undo
in whispered talks and knowing eyes
a warm embrace when sorrow arise
in every step through near and fear
they will forever be the light
that guides our way. this is
Mi Familia

This broadside was created in celebration of Seattle Arts & Lectures' 2024-25 Writers in the Schools Year End Reading.
Ricardo Ruiz was the supporting WITS writer in residence.
