

# A BLESSING FOR MOM

NOAH OTT

When the summer shines and your  
flowers bloom, may I do the laundry  
for you? When I'm outside and  
you're doing chores, may I do  
the chores for you. You are nice,  
smart, funny, ridiculous and loved.

May I give you the flowers from  
the air. May I do the laundry  
for you. May I give you the  
laughter of me, may I give  
you the fireworks of your heart.  
May I give you my  
heart.
