

Grand Hyatt Seattle offers valet parking to guests and meeting attendees. Self parking options are available in the form of standard city-metered spaces or parking structures in the surrounding area.

**City-Metered Parking** - These spaces are available as first-come, first served, and accept credit/debit cards as form of payment. Parking stickers obtained from any city pay station are transferable to other metered parking within the City of Seattle, for the duration paid for. Hyatt is not responsible for loss, damage, or parking infractions.

**Parking Structures** - We have identified a selection of parking structures for you to choose from. Prices vary and are subject to change. Parking agreement and payment is between you and the business itself.
