

Time is Funny and Sad

HAFSA MUSE

DEARBORN PARK INTERNATIONAL ELEMENTARY SCHOOL | 4TH GRADE

Time is how flowers grow slow.
Time is how flowers die fast.
Time is a fox that used to be a cat.
Time is the past that used to be the future.
Time used to be a clock.
Time is a frog dancing on a cat.
Time is like a leaf blowing off a tree.
Time is a duck that did a backflip.
Time is a sea that has waves.
Time is a book that was read fast.
Time is the life that everyone has.

This broadside was created in celebration of Seattle Arts & Lectures' Writers in the Schools (WITS) program's Year End Reading. It was written at Dearborn Park International Elementary School during the 2022-23 school year with WITS Writer-in-Residence, Samar Abulhassan.
