NATHAN HALE HIGH SCHOOL | 9<sup>TH</sup> GRADE

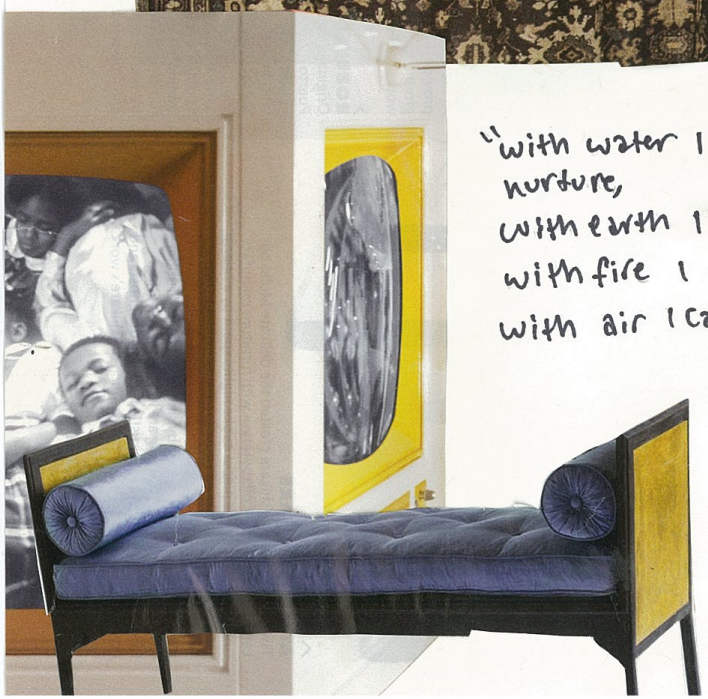

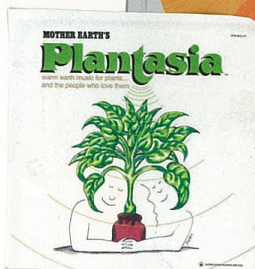

"There once was a person named Goji,  
who hated being a yogi,  
Everyday they had to change  
They thought it was very strange,  
The teacher was cold just  
like a coyote."

"with water I grow,  
with earth I burn,  
with fire I live,  
with air I  
drown."

"with water I  
nurture,  
with earth I blow,  
with fire I relax,  
with air I cast."

This broadside was created in celebration of Seattle Arts & Lectures' Writers in the Schools (WITS) program's Year End Reading. It was written at Nathan Hale High School during the 2022-23 school year with WITS Writer-in-Residence, Acca Warren.
