

Florida is not real

NATALYA BELLE CHRISTIE

LOPEZ MIDDLE SCHOOL | 6TH GRADE

Florida is not real
it is simply just
a state of mind
if you sled down a cotton
hawk hill into “florida”
you will be in nether void
no parachute
no cabinet
nothing
the only way to get out of “florida”
is eating left over inflatable jalapeno wood
if you don’t have any you might
be stuck in the nether void unless a person from “Canada”
comes to you with sprite Cranberry

This broadside was created in celebration of Seattle Arts & Lectures' Writers in the Schools (WITS) program's Year End Reading. It was written at Lopez Middle School during the 2022-23 school year with WITS Writer-in-Residence, Corinne Manning.
